29 December 2017

Dear Shareholder

**NOTICE OF INTENTION TO SELL SHARES OF LESS THAN MARKETABLE PARCEL**

The Board of Directors of Jadar Lithium Limited (formerly South East Asia Resources Limited) (ASX: SXI – code changing to 'JDR') (**Company**) are pleased to announce the Company will commence the process for the sale of ordinary shares (**shares**) for holders who hold less than a "marketable parcel" (defined in the ASX Listing Rules as a parcel of securities of not less than \$500 in value) (**Less Than Marketable Parcel**) (**Less Than Marketable Parcel Sale**).

This offer applies to shareholders who at 5:00pm (WST) on 28 December 2017 (**Record Date**) were holders of shares in the Company valued at less than \$500 based on the issue price of Company shares under the Company's recent prospectus of \$0.02 per share on the Record Date (less than 25,000 shares). Our records show that you are the holder of less than a marketable parcel as at the Record Date and accordingly your shareholding is eligible to participate in this share sale facility.

The Company is offering this facility as it provides the following benefits:

- Holders of less than a marketable parcel have the opportunity to sell their shares without incurring any brokerage or handling costs which, in proportion to the value of their holding, may otherwise render a sale unattractive or uneconomical; and
- The expense and administration involved in maintaining shareholders with less than a marketable parcel is reduced.

As at the Record Date, the Company has approximately 1,987 shareholders of which approximately 1,440 shareholders hold less than a marketable parcel of shares that in aggregate represent approximately 0.63% of all issued shares.

You may choose to retain your holding otherwise the Company will sell all of your existing holding as explained below.

**1. Sell all of your Less Than Marketable Parcel**

The Company is authorised under Schedule 3 of its Constitution to sell your shares following the closing date of 5.00pm WST on 14 February 2018 (**Closing Date**). Your shares will be pooled with other shares under this facility and sold as soon as practicable after the Closing Date.

The price you receive for each share sold through this facility will be \$0.02, being the issue price of Company shares under the Company's recent capital raising completed in December 2017.

Australian residents will be paid their sale proceeds in Australian dollars by direct credit to an account held with an Australian Financial Institution. You must complete and return the enclosed Share Sale

Facility Form, including your direct credit of payments instruction in section C. Where a Share Sale Facility Form has not been returned, sale proceeds will be paid by cheque.

Non-resident holders who do not have an account with an Australian Financial Institution will be paid in Australian dollars by cheque.

There is an option on the Share Sale Facility Form to choose to donate the proceeds of your sale to Morningside CARE INC ("MCI"). MCI is an incorporated association and a registered charity in New South Wales. MCI owns and operates Sine Cera Rainforest Retreat, is the registered Australian provider of the International Child Development and also supports local and overseas projects with similar goals to those of MCI through volunteer support and fundraising amongst its membership. Amounts less than \$100 which remain unclaimed at 31 March 2018 will be donated to Morningside CARE INC.

All costs associated with the sale of your Shares will be borne by the Company. No brokerage will be payable by you.

If your shares are held in a CHESS holding, the Company may, after the Closing Date, initiate a holding adjustment to move your shares to the issuer sponsored sub-register for the purpose of this facility.

Any tax consequences arising from the sale or buy-back of your shares will be your responsibility.

## **2. Retain your existing holding**

If you wish to retain your existing holding then you must either:

- correctly complete, sign and return the enclosed Share Sale Facility Form so that it is received by 5.00pm WST on 14 February 2018, being the Closing Date of this facility; or
- arrange to have multiple holdings consolidated into the one holding which has 25,000 or more shares on the Closing Date; or
- make your own arrangements outside this facility to purchase additional shares so that you are the registered holder of 25,000 or more shares within the one holding on the Closing Date.

If you successfully take one of these steps, the Company will not be entitled to sell your shares.

### **Important information**

The Company reserves the right to vary, delay or terminate this sale facility by notice to the ASX.

The Company is not bound to sell any or all of the shares that may be available for it to sell under this facility, and there is no guarantee that the Company will be able to sell your shares.

The Company will determine whether a shareholder has a less than marketable parcel as at the Record Date. The Company will not have any reference to any increase in the price of shares after the Record Date in determining whose shares may be sold or bought back pursuant to this facility.

**If you have a Less Than Marketable Parcel as at the Record Date, then unless you take one of the steps outlined in Step 2 of this letter, the Company will be entitled to sell your shares under this facility.**

The Company nor any other person involved in the facility shall be liable for failure to sell the shares. The price of Company shares is subject to change and an up-to-date price can be obtained from the ASX website ([www.asx.com.au](http://www.asx.com.au)) under the code "JDR" from 3 January 2018 (or under the existing ASX code 'SXI' until that date).
